Agreement for Services

This Agreement, effective as of _____ (the “Effective Date”), is entered into by and between Alpha Timeshare Consultants, Inc., a Florida corporation (“Alpha”), and the undersigned client(s) (the “Client”), who reside at the address provided below. Alpha may utilize independent contractors vendors to assist with administrative, documentation, and case-management tasks. Unless expressly identified and separately signed, no third-party vendor is a contracting party to this Agreement.

Client(s) Information:

Name(s): _____,

Address: _____

1. Scope of Service:

Alpha agrees to provide consumer advocacy and support services intended to help the Client seek a Favorable Outcome (as defined above) with respect to the Client’s identified timeshare(s), vacation ownership(s), or vacation club membership(s). Alpha does not buy, sell, or transfer timeshare interests, does not provide buyers or transferees, and does not perform deed-transfer services for a fee.

Services include gathering, maintaining, and utilizing documents and information provided by the Client to construct a detailed case file and to support communications, disputes, and other advocacy efforts related to the Client’s Contractual Obligations.

If applicable, Alpha will mentor and guide the Client through specific steps that the Client must follow to facilitate progress within a reasonable timeframe. With the Client’s cooperation, Alpha may draft or assist with preparation of certain documents and may prepare the Client for potential communications with resorts, agencies, lenders, or other entities. The Client commits to complying with reasonable requests for forms, documents, and instructions. The Client will not be asked to participate in any unlawful or unethical activities.

In consideration of the aforementioned services, client(s) agree to pay the total service fee of \$ _____ using one of the following options:

☐ **Pay in Full** – Payment is due in full at signing. No additional installments will be charged.

☐ **Third-Party Financing** – Client has chosen to finance their service through a third-party lender. All payments, rates, and terms are governed by that lender's financing agreement. Alpha Timeshare Consultants has no authority to alter, suspend, or manage those arrangements once approved.

☐ **Alpha EasyPay** – Client elects to enroll in Alpha EasyPay, a twelve (12) month payment arrangement offered at 0% interest, with no finance charges or added interest of any kind. Under this arrangement, the total balance is divided into twelve (12) equal monthly installments. All payments will be automatically drafted through Alpha's authorized secure autopay system using the ACH and/or card information provided by the Client.

Client understands and agrees that all drafts under Alpha EasyPay will occur on either the **1st** or the **15th** of each month, as selected at the time of enrollment. The first payment will be drafted on the next available 1st or 15th that provides a reasonable amount of time from the date of this Agreement. All subsequent payments will draft on the same selected calendar date each month until the balance is paid in full.

A \$35 failed-payment fee will be applied to any declined or missed draft. Clients have a five (5)-day grace period to update payment information before services may be temporarily paused.

Clients who pay their full remaining balance within ninety (90) days of signing are eligible for a **\$500 rebate** applied as a credit toward their total balance. The rebate is not issued as cash and applies only to the total contract balance, not per deed or per owner. To qualify, all scheduled payments due prior to payoff must have cleared successfully, and the account must be in good standing with no chargebacks or disputes.

If an ACH payment is declined, returned, or fails for any reason, Client authorizes Alpha Timeshare Consultants, Inc. to process the backup card/payment method on file for the amount due (including any applicable reprocessing fee permitted by law, if disclosed). Client acknowledges and confirms this authorization was provided during the registration/contract review call and may be verified by recorded confirmation.

This fee facilitates and initiates the process for the identified ownership(s)/membership agreement(s) below:

8. Warranty and Refund Policy:

Except as expressly provided in the Certificate of Guarantee and Refund Policy below, payments made to Alpha are for services performed and are non-refundable during the Term. If the Client elects to pursue third-party services independently during the Term, Alpha’s obligations under this Agreement may be affected, and the Client should notify Alpha in writing so Alpha can evaluate whether continued work is reasonably possible. If no Favorable Outcome is achieved within the Term, the Client may elect either: **(a)** to request a full refund of the Service Fee paid to Alpha, or **(b)** to extend the Agreement at no additional cost for continued work. To request a refund, the Client must provide written notice to Alpha within thirty (30) days after the end of the Term. A signed release form will be required to process a refund.

9. Client's Commitment:

The Client agrees to actively cooperate and maintain open communication with their assigned case manager and support personnel for the duration of the Term. If the Client chooses to terminate this Agreement before the end of the Term, Alpha will stop work upon receipt of written notice, and amounts paid will remain non-refundable except as required by law or as expressly provided in the Certificate of Guarantee. The Client acknowledges that the 100% money-back guarantee applies only after the completion of the Term and only if the Client has reasonably cooperated with Alpha's requests for documents and participation needed to pursue the matter.

10. Email & Correspondence Authorization:

The Client authorizes Alpha Timeshare Consultants, Inc. ("Alpha") to receive, review, draft, and send written correspondence related to the Client's timeshare ownership, including email communications with resorts, developers, management companies, or related third parties, using a designated correspondence email address. The Client understands and agrees that such correspondence may occur without the Client's direct participation in each individual communication. This authorization is limited to correspondence only and does not transfer ownership, decision-making authority, or control to Alpha. This authorization may be revoked by the Client at any time by providing written notice to Alpha.

11. Dispute Resolution:

The Client agrees that all disputes shall be resolved via non-binding mediation in Orange County, Florida, or, in the event mediation is unsuccessful, shall be resolved via binding arbitration in Orange County, Florida.
